Barbara died
18vii26

1/25 26 8/25 26

A lot of the pages in this fascicle have to do with
my week of working out how to respond to David's
"what do you think" question, with occasional
diversions

aggregate behavior

how I think, explored

* Contact and its growth

Literatures and Discovery

lots of explain-self-to-self, of course

paradoxes contend

language families (Algonquian)

[Agents]

social-evolutionary theory

fermic metallurgy and Contact

Conundrum update

drawn back to Nova Scotia

Max Headroom

beginning to evolve a reply

social evolution

patterners

Ben Halim exit

vice stream of-consciousness

* Contact shelf list

? "J-space"?

Cronos.
